

Pharmacy Services (800) 522-0114, option 4

Pharmacists,

SoonerCare pharmacy services requests your assistance to improve the care of our members. Your pivotal role in the healthcare system can help increase appropriate and cost-effective use of topical, over the counter (OTC) antifungal products for SoonerCare members 20 years of age and younger with a medical need.

- **The following are topical, OTC antifungal products that are covered without prior authorization for SoonerCare members who are 20 years of age or younger.**
 - Clotrimazole 1% cream
 - Terbinafine 1% cream
 - Tolnaftate 1% cream
- A prescription is required for coverage of topical, OTC antifungal products for pediatric members.
- For members age 21 years and older, please use other Tier-1 products. Products available without prior authorization for adult members include clotrimazole 1% cream (prescription only), econazole 1% cream, ketoconazole 2% cream, and nystatin cream or ointment.

Thank you for the services you provide to Oklahomans insured by SoonerCare!
